Bulletin No. 2018-AU-04

Topic: New York Revised Territories – Voluntary Automobile
ISS Contacts: iss.support@pciaa.net

The New York Department of Financial Services has approved revisions of the Suffolk County territory definitions based on zip code for both Private Passenger and Commercial Auto.

This revision segments territories 75 and 76 into additional pieces to reflect demographic changes that have taken place over time. Territories 75 and 76 will be replaced with new territories 77 - 80. These changes apply to Voluntary Automobile data. Attached is an exhibit with the current zip codes applicable to these new territories. Please refer to the New York AIPSO manuals for any future zip code changes.

These territory changes are applicable to policies effective **October 1, 2018**. These changes will be reflected on page 402 (attached) of the Voluntary Automobile Statistical Plan.
